Caution: This kit contains soil samples from several locations throughout South Dakota. Although the soil samples were carefully gathered, they may contain soil microorganisms and/or chemicals. Do not intentionally ingest any soil, and wash hands thoroughly after handling. Due to biological health concerns, do not distribute or dispose of these soil samples outside of South Dakota.

Thank you for your support! Proceeds from the Soil Color Sample Set sales are used to further the conservation education goals of the South Dakota Chapter of the Soil and Water Conservation Society. Scholarships are provided to deserving college students and educational projects are undertaken for South Dakota youth and adults.
